AILEEN WORTH	- - - - -	<i>Vice-President</i>
FLOANNA BURROWS	- - - - -	<i>Librarian</i>

Coach H. R. McQuillan

Coach must be given the credit for whipping a team composed almost entirely of Sophomores into shape, physically and mentally to take on such strong teams as Florida, Oglethorpe, Tampa and Miami U., and for the good showing his varsity made.

Coach's own individual psychology made for him many a game, and his tactics on and off the field are nothing but clean and wholesome.

When we consider McQuillan's ability we are assured that next year his team will make a good showing against such teams as Florida, Mercer, Georgia, etc. Good luck, Coach!

Asst. Coach John Socash

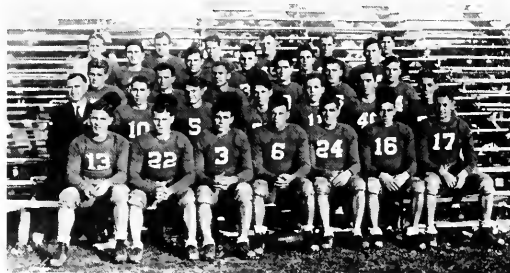

"Sokie" must be given much credit for the line play on our team this past season. He also helped to develop the freshman team, which had a very successful season. We can rest assured that these freshmen will know something about football next year after a year under "Sokie."

Asst. Coach Harold Martin

"Marty" sees to it that the ends know what they're doing. Credit is due him for the manner in which our ends conducted themselves this past season. We are sure that "Marty" has the makings of a fine coach.

CAPTAIN "Bus" SHIBLE, Half-back—165 lbs.

This was "Bus'" last year and he climaxed his brilliant play with some beautiful punting and blocking. Any coach would be glad to have "Bus" on his team, for, besides being a great player he was a fighting leader. His long punts sent many an opponent back deep in his own territory, and his fine blocking cleared the way to many a touchdown. His fine play will be missed on next year's varsity.

CO-CAPTAIN "Dolly" HORTON, Tackle—195 lbs.

"Dolly" also played his last year for Stetson. "Dolly" had all the requisites of a great tackle. Big and powerful, he could "dish it out and take it!" "Dolly" was always in there busting up the opponents' plays. He was especially good at going down under punts and nailing his man before he got started. "Dolly" is considered one of the best tackles ever produced here.

JOE PECK, Tackle—190 lbs.

"Peck" played tackle and, teamed with Horton formed as good a combination as any coach could ask for. "Peck's" hard drives and blocking will be missed when next year's team trots on the field. They don't come much better than "Peck."

"Red" PERRY, Quarter-back—150 lbs.

"Red" was our brilliant quarter-back this year, and his long runs and fine open-field play will be missed next year. "Red's" specialty was getting out into the open and then out-footing the secondary. "Red's" fine play stamped him as one of the best backs in the State.

CARPENTER, End—175 lbs.

"Carp" also played his last game with us. "Carp" was a great defensive player and had few "peers" at this stage of the game. In the Florida and Miami games "Carp" showed the opposition by smashing them for many losses.

"Newt" LINDSEY, Guard—155 lbs.

"Newt" was small but rugged. His defensive play and his interference marks him as a great little guard. "Newt" also played his last game for Stetson.

Joe "Steve" RUZZO, Guard—170 lbs.

"Steve's" brilliant blocking was his outstanding feature. Besides being able to dump the opposing back, he was quick at diagnosing the play before it got started. An early-season injury kept us from hearing more about Joe.

"Rod" THURSBY, Guard—170 lbs.

"Rod's" fighting spirit and ability to out-charge his opponent made him a valuable asset to the team. His fine play on the defense and ability to lead the interference are the reasons why he will be missed so much next year.

"Dick" WILKINSON, Full-back—180 lbs.

"Dick" was our hard-hitting full-back. His favorite was spilling the opposition from his defensive full-back position. "Dick" is hard and rugged and could dish it out. His defensive play behind the line was always a high-light in all the games. "Dick" will be back for more next year.

"Red" FITON, Quarter-back—155 lbs.

"Red" is the second of our brilliant quarter-backs. "Red's" speed and alertness made him dangerous to the opposition. "Red" was the best passer on the squad, and whenever the team's passing attack was working, you could bet your money that "Red" was in there. Besides being a great passer "Red" could carry that ball. "Red" will also be with us next year.

"Sid" SINGLETON, End—170 lbs.

"Sid" played great football this year. He was one of the best defensive ends we've seen this year. His specialty was smashing the interference to let some one else make the tackle. On the offensive very few tackles got past "Sid" and he was always in there fighting.

KEN LOUTON, Full-back—190 lbs.

This is Ken's first year on the varsity and from all indications will win many a game for us before he's through. Ken's ability to smash through for first downs when only a few yards were needed, and to back up the line marks him as the "find" of the season. Ken is not only big but is very fast on his feet.

"Spot" WEAVER, Center—170 lbs.

"Spot" was our great "little" center. By his hard tackling, blocking, and fighting spirit, he

was mentioned as one of the best centers in the South. "Spot" really deserves this honor as any one who has played with or against him will agree. "Spot" made very few bad passes, and his defense against passes was unsurpassed by any.

"Mece" SCHEMER, Half-back—175 lbs.

"Mece" came up from last year's crack freshman team, and walked right into a regular berth on the varsity. "Mece" was high-point this year, and coupled with his all-round ability will make him a marked man next year. "Mece" also had an educated toe, and won at least one game with that important extra point.

"Bob" LOCKETT, Half-back—170 lbs.

"Bob's" all-round ability made him an important cog in the team. Bob always kept up the spirit of the team. His fine blocking and tackling affords him a place with the stars,

"Bert" SUNDI, Half-back—165 lbs.

"Bert" was an excellent blocker, and whenever given the chance to carry the ball did his share of ground-gaining. He was a smart defensive player, especially against passes. Very few were completed down Bert's way.

"Joe" CAVDILL, Tackle—215 lbs.

"Joe" was the biggest man on the squad, but, nevertheless, could handle his weight to the best advantage of his tackle position. "Joe" was a stone-wall on the defense, and seldom missed his man on the offense.

"Jimmy" HANSFORD, End—175 lbs.

At the start of the year Jimmy was playing in the backfield, but later found end to his lik-

ing. Jimmy was playing great ball, until an injury kept him out of the last few games. He'll show us next year.

"Preacher" PAUL, End—155 lbs.

"Preacher" was light for an end, but made up for this with fight. "Preacher" was the hardest man on the squad to keep out of the play. He was also very good at snaring passes. "Preacher" still has two more years left.

"Harpo" HADDOCK, End—170 lbs.

"Harpo" was our great pass-receiver. Just throw them near him and he's sure to get them. "Harpo" was also very efficient in taking the opposing tackle out of the play. We'll hear more of "Harpo" in basketball.

"Wimpy" HAYNSWORTH, Guard—185 lbs.

"Wimpy" played "bang-up" football this year and is deserving of much praise. He was steady, and always gave a good account of himself. "Wimpy" has two more years, much to the sorrow of his opponents.

"Jack" DIAMOND, Guard—180 lbs.

"Jack" was "Wimpy's" running mate on the crack freshman team last year, and after fighting off plenty of competition has proved himself a valuable man. "Jack" was always in every play, and seldom missed a tackle.

"Rudy" NIELSON, Guard—175 lbs.

"Rudy" was one of the fastest men on the squad, and used his speed to good advantage by getting out in front and knocking down the secondary. He was always in there messing up plays, or the first down under punts.

TOM LAWRENCE, Tackle—190 lbs.

Tom was out most of the season with a bad ankle, but while he was in there gave a good account of himself. Big things are expected of Tom next year.

"Mac" MCCALLA, Center—170 lbs.

"Mac" was quite unfortunate in that he didn't get to play more. What chance he had, he proved he knew what it was all about. "Mac" played a steady, hard, and alert game at center, but didn't play as much as he would have liked.

"Bogus" OWENS, Half-back—175 lbs.

"Bogus" played fine football this year, considering that he had a trick knee which kept him from many practices. His punting was a valuable asset to the team for many times he kicked out of danger, or out in "Coffin Corner." "Bogie" has two more years of great football ahead of him if his knee doesn't give in.

"Ed" KNITTLI, Quarter-back—142 lbs.

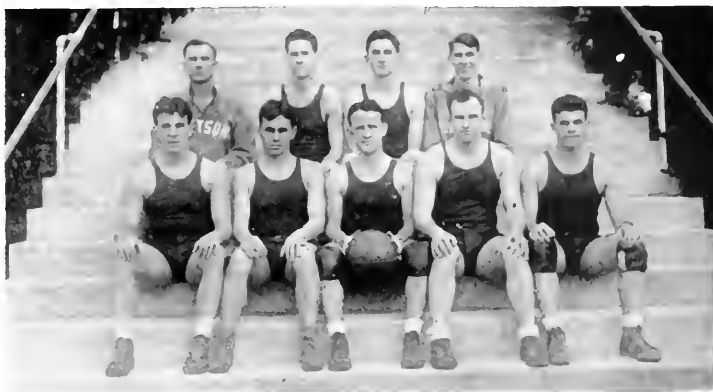

"Ed" played when the two "red-heads" weren't. Ed's ability in directing a team stamps him a promising back next year. Ed is a Sophomore and has two good years ahead of him.

"Baby" INGRAM, Tackle—190 lbs.

Dick had plenty of competition at tackle, but proved himself a very good man with his hard charging and vicious tackling. "Baby" will be a "find" next year, and hard to keep off the first team.

Basket Ball Team

LOCKETT, HADDOCK, LAWRENCE, GAYLORD, SLADE, KSTLETT, STRAUSS, NELSON, SCHMIDT

The varsity team this year claimed many sophomores but as they gained experience they gave a good account in every game. After one disastrous trip, the team came back home and defeated such teams as the strong House of David, and their arch state rival, Florida University.

Considering that coach had only three veterans back he should be congratulated on the showing of this year's varsity, and everyone can expect to see a real scrappy and experienced team on the floor for Stetson next year.

Tennis Team

PHILLIPS, TOMYNS, MCGARRAH, ELIASLY, BERGER, WILSON, FREEMAN

Interest in tennis was unusually high this year, with twelve men reporting for the team. Six men were finally selected by a preliminary tournament. The six ranked in order named are: Freeman, Atwater, Berger, Ickler, McGarrah, Wilson.

Prof. Winters gave them valuable assistance as coach and general advisor and aided materially in turning out a successful team.

Stover, Einsel, Alexander, Wilson, Price, Colbert, Fisher, Naylor, Oostdam, Martin,
Farrar, Knaak.

The Woman's Athletic Association at Stetson has accomplished a great work in the three years that it has been on the campus. It offers varied activities to the young women. The major sports are tennis, archery, basketball, golf, and swimming. Among the minor sports are pingpong, handball, hockey, and shuffleboard. The interest is stimulated by the awards given among which are a loving cup, W. A. A. penants, and the archery awards.
